

## What is Global Citizenship Education (GCE)?

- An active and creative educational process to increase understanding of the world in which we live.
- Supports learners, in age-appropriate ways, to make connections between their own lives and international social justice issues.
- Facilitates critical thinking from a variety of perspectives.
- Encourages collaboration, cooperation and empowerment to make a positive difference in the world.
- Challenges perceptions and stereotypes by encouraging empathy, hope, participation, reflection, and action.
- Builds on awareness, analysis, reflection and action for justice and change.
